SALTWOOD PARISH MAGAZINE

Saltwood and Lympne benefice

Finishing with a smile ...

... One Sunday a minister announced that the church needed some extra money. He asked the people to prayerfully consider giving a little extra, and as an enticement, added that whoever gave the most would be able to pick out three hymns.

The offering plate was passed around, and to the minister's amazement, someone had put in a cheque for £1,000. He shared his joy with his congregation and said he'd like to thank the person who'd given the cheque. A very quiet, elderly lady shyly made her way down to the front of the church. The minister told her how wonderful it was that she gave so much, and asked her to pick out three hymns. Her eyes brightened as she looked over the congregation. She pointed carefully to the three handsomest men in the building and said: "I'll take him, and him, and him."

Castle Green WI

President Julie Andrews welcomed thirty-two members to the July meeting which started at 1pm because we were celebrating our Queen's Platinum Jubilee with an afternoon tea.

The Lads' Club looked very festive with a red, white and blue garland; our red gingham tablecloths and Union Jack flags. Apologies were accepted and Valerie Humphries was thanked for the beautiful red, white and blue flower arrangement on the President's table. The minutes of the May meeting were read, approved, and signed. The East Kent Federation Top Team Quiz will be held in Canterbury on September 21st and as usual Castle Green will be taking part. We need at least one team of six people.

Several members had been on a walk at Samphire Hoe and Daphne Gazeley's photo of a seascape was in the East Kent News.

The Knit and Natter and Patchwork groups continue to meet monthly. The next walk will be on Monday July 11th meeting in Waitrose carpark at 10.30am for a walk along the seafront. During the meeting, a list of proposed sub-groups was available for members to tick their preferences.

The last date for payments for the outing to **Godinton Park** on July 28th will be at the next meeting on July 8th.

Our speaker this month was Clive Nuttman whose talk was entitled "from Grange Road to Antananarivo – Madagascar- Enchanted Island." Clive lived in Grange Road and went to Saltwood School. Clive told us about the geography, climate and politics of Madagascar and showed some excellent photographs of the terrain, flora, and fauna and, of course, the lemurs. Clive's talk was informative and entertaining. Romany Cowans gave the vote of thanks.

A letter from our Rector

June 2022 will remain with me for a long time. We celebrated the Platinum Jubilee of Her Majesty the Queen. I was so thrilled with the way our communities responded. I shall never forget the huge numbers of people that turned out at Lympne for the Picnic and Lighting of the Beacon. I was particularly pleased to see so many gather in St Stephen's church just before we went out to light the beacon. Our churches were once the only gathering place. A place where all matters of business were attended to, not just worship. The church building is part of our heritage and our personal stories. I was especially pleased to catch up with Lympne's Parish Council Chairman, Jo Howes. Jo and I have known each other for over thirty years and not seen each other for such a long time. We could never have imagined back then that either of us would hold such important responsibility in the community.

Unfortunately, due to unpredictable weather, the 'Big Lunch' garden party at Saltwood had to move into the Lads' Club. We did not let this dampen our spirits and a great time was had with lovely food and wonderful company. Thank you to everyone who put in so much effort to make the event such a success.

Seeing our communities come together fills me with hope as I see relationships fostered and people enjoy each other's company. It is this strength of friendship that increases our quality of life and makes us resilient to the challenges that life presents. We are designed for this kind of fellowship, and this is pleasing to God for we are fulfilling his purpose for us.

Let's hope there are many more gatherings in the near future so we get to know each other all the more, and enjoy this beautiful corner of Kent in which we are privileged to live.

Enjoy the summer and I look forward to catching up with as many of you as possible in the coming weeks.

Rev Barry

LYMPNE FELLOWSHIP GROUP - Our June meeting gave us an insight into First Aid where we were shown how to use a defibrillator and some common-sense information eg folding a jumper someone is wearing up over a fractured arm or dislocated shoulder to support it, rather than worrying about finding a sling; putting pressure on a wound to stop bleeding; being a calm and comforting influence. An interesting afternoon.

Our **next meeting** on **14 July** will be a **Sing-a-long** led by Chris Kimmance from 'Ashford Sings'

Lympne Fellowship normally meets at 1.15pm in the Harry Margary Hall on the 2nd Thursday of the month, with a programme of interesting and informative talks and activities. For further information about our group, please contact **Jill Page** on **01303 263756**.

the exact number of pipes per stop but we believe it to be in the region of 1500 to 2000 pipes which at £25 per pipe would almost reach our target. Our former organist, Antony Wilson, has very kindly agreed to work out exactly how many pipes there are and we hope to have this information soon. The administration to record and acknowledge each sponsor, plus issuing a certificate identifying which pipes a donor has sponsored, is currently being worked on and we hope to go live in July.

This note is to update the congregation and community of the need to refurbish the church organ and its likely cost.

It's 1943. The Allies are determined to break Hitler's grip on occupied Europe, and plan an all-out assault on Sicily; but they face an impossible challenge -- how to protect a massive invasion force from potential massacre. It falls to two remarkable intelligence officers, Ewen Montagu (Colin Firth) and Charles Cholmondeley (Matthew Macfadyen) to dream the most inspired and improbable disinformation strategy of the war centered on the most unlikely of secret agents: a dead man. Operation Mincemeat is the extraordinary and true story of an idea that hoped to alter the course of the war. Also starring Penelope Wilton, Mark Gatiss and Jason Isaacs

MONDAY CHATS

Monday Chats are great fun and very enjoyable. It has been so nice to take time out each week to chat with each other. However, with the holiday season upon us we thought we would take a holiday break and come back refreshed in September. So with this in mind Monday Chats will not be meeting from Monday 25 July, reopening again on Monday 5 September from 2pm to 4pm when we will look forward to welcoming you all again. With warm wishes, **Carol and Geoff**

Coffee Morning for Christian Aid

If you are reading this before Saturday 2 July, please come to the Lads' Club for coffee and cake at 10 am until Midday. We will have a cake and preserve stall as well. We would love to see you and it is always nice to catch up with each other whilst supporting those less fortunate than ourselves. This time we want to send a donation to Christian Aid as we were unable to support them during Christian Aid Week this year.

Many folk were impressed by the quotation from Her majesty the Queen, which Rev Trish used at our Jubilee Service, so I am pleased to provide it again in the magazine:

'I know just how much I rely on my faith to guide me through the good times and the bad. Each day is a new beginning. I know that the only way to live my life is to try to do what is right, to take the long view, to give of my best in all that the day brings, and to put my trust in God ... I draw strength from the message of hope in the Christian gospel.' – Queen Elizabeth II, 2002 (p.6 in *The Servant Queen*, by Mark Greene & Catherine Butcher)

SALTWOOD CHURCH ORGAN PROJECT

As most will know Saltwood Church has a very fine pipe organ. Like most mechanical items it requires maintenance and refurbishment every so often and, in our case, this has not been undertaken since 1965.

In 2019 we asked F.H.Browne Organ Builders, who have maintained the organ for nigh on a hundred years, to survey the organ and provide the PCC with a report of the work needed and the estimated costs. The cost of the work was then estimated at £45k including VAT. We commissioned an independent consultant, Paul Hale, to review the report which he did and confirmed that the work was needed, and the estimate represented good value.

We planned initially for the work to be undertaken in 2021 but this has been deferred to summer 2023, because of the difficulty in fundraising as a result of COVID and the fact that certain roof repairs were needed to the organ chamber roof. These were completed in 2021.

The PCC have agreed to the work being undertaken, subject to sufficient finance being in place before the formal contract is signed. With inflation we feel that we need an amount of £50k for the project, some of which we have.

The organ refurbishment was a project close to Sir William Fittall's heart, and with Barbara Fittall's agreement, our fund-raising project will be called "The Sir William Fittall Memorial Organ Appeal".

We will be endeavouring to raise funds in the usual ways over the next 6 to 12 months but we have one unique way to fundraise with the church organ and that is "to sponsor a pipe". We do not currently know
